Headline:
Largely cloudy with a little rain today. Drier days following.

Today:
A mostly cloudy day, with sunny spells only likely in southern areas early on. Outbreaks of rain or drizzle affecting western areas at times and a few showers may develop in the afternoon. Cloudy conditions hampering temperatures somewhat. Maximum temperature 18 deg C (64 deg F).

Tonight:
Most places becoming dry this evening, though southwestern areas may retain a little rain into the night. Some late sunshine in Cumbria before cloud returns overnight. Minimum temperature 8 deg C (46 deg F).

Saturday:
Early cloud breaks to patchy fair-weather cloud by midday, providing sunny spells through Saturday afternoon and possibly producing a few showers. Feeling warm come the afternoon. Maximum temperature 21 deg C (70 deg F).

Outlook for Sunday to Tuesday:
Warm, dry and settled throughout this period. Plenty of sunshine on Sunday. Sunny spells through Bank Holiday Monday and Tuesday.
